Learning Fundamental Concepts Shared between Code+Music

Problem Solving with Music Blocks

Software Freedom Pedagogy

Free Software's Four Freedoms:

0. To Use
1. To Study and Change
2. To Share
3. To Share your New Changes

Hey, Gnu-Dude!

Thank you, Hacker Mouse.

Check this out!
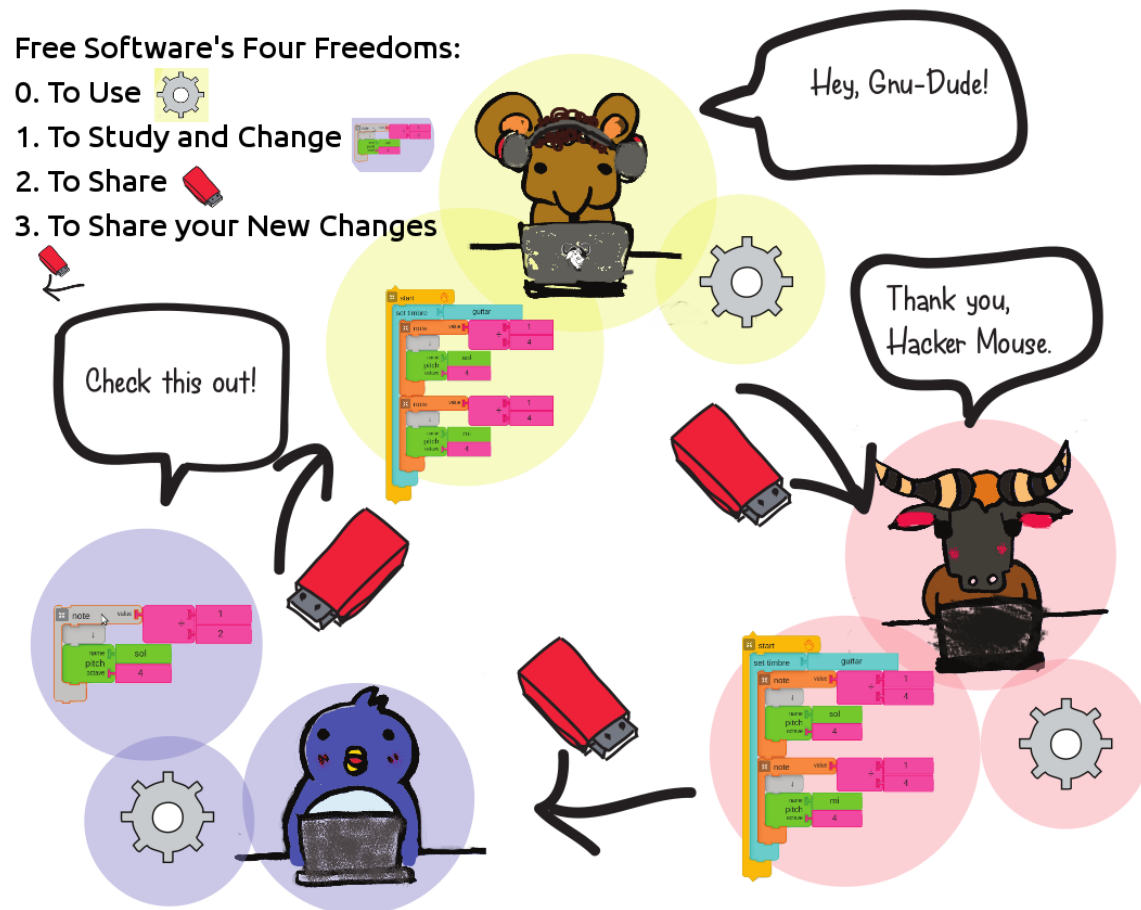

Handout given to students to teach what is free software.

What is Free Software?

Student Feedback: Highlights

- What is something new that you learned?

Answers:

I learned the Four freedoms

I learned that I can contribute to the making of a website.

how to music-code

Next Steps: 5 Laptop Donations
