LIBREPLANET 2021
EMPOWERING USERS

The annual conference on technology and social justice from the Free Software Foundation

LibrePlanet will be online. We anticipate over 500 unique attendees, and exciting talks covering a range of interesting subjects for the free software movement. We invite you to join us and support this event!

If you have any further questions please do not hesitate to contact us at *campaigns@fsf.org*

Guest keynotes for LibrePlanet 2021: Empowering Users are Copyright activist Julia Reda, Digital fabrication expert Nadya Peek, and Guardian Project's Nathan Freitas.
